**E mail ID:** \_\_\_\_\_

**Phone Number:** \_\_\_\_\_

**Affiliation/Institution:** \_\_\_\_\_

**Book Title:** \_\_\_\_\_

### Consent and Declaration

I, the undersigned author, hereby grant **ScienceTech Xplore** the non-exclusive right to publish, distribute, and archive my book titled above in both print and digital formats under the following terms:

1. **Original Work:** I affirm that the submitted manuscript is my original Work and does not infringe on the rights of any third party.
2. **Rights Retained:** I retain the full copyright of the Work. ScienceTech Xplore will be granted non-exclusive publishing rights.
3. **Permission for Use:** I permit the content to be:
  - Published and distributed in print and/or digital formats
  - Indexed and archived in academic databases
  - Publicized for educational and commercial promotion
4. **Third-Party Material:** If my Work includes copyrighted material from others, I confirm that appropriate permission has been obtained and credited.
5. **Author Responsibilities:** I agree to cooperate in the editorial process and ensure the final manuscript meets quality and formatting standards.
6. **No Plagiarism:** I confirm that the manuscript is free from plagiarism or ethical violations.

I hereby consent to the publication of my book under the terms listed above.

**Author's Signature:** \_\_\_\_\_
